Fremont Performing Arts is excited to present a contemporary adaptation of *The Addams Family*.

THE ADDAMS FAMILY, a comical feast that embraces the wackiness in every family, features an original story and it's every father's nightmare: Wednesday Addams, the ultimate princess of darkness, has grown up and fallen in love with a sweet, smart young man from a respectable family– a man her parents have never met. And if that wasn't upsetting enough, Wednesday confides in her father and begs him not to tell her mother. Now, Gomez Addams must do something he's never done before– keep a secret from his beloved wife, Morticia. Everything will change for the whole family on the fateful night they host a dinner for Wednesday's "normal" boyfriend and his parents.

We've created a beautiful set, some first rate choreography, voices to give you the chills, 20 student technicians, 72 cast members, 30 musicians, and some cooky special effects. You don't want to miss this show!

Unity day was a success. Students wore Orange and we gave out orange crush drinks and stickers. The students Loved it!

Volley Ball Region Champs! We are so proud of our Lady Wolves. Thank you for a fabulous season. #PACK20

On Friday ProStart showcased our newly remodeled kitchen by planning, preparing and then selling items from their simulated food trucks. Teams of students created a food truck plan including themes and menus around breakfast fast items. Then they prepared one item from their menu, prepped and the opened for sales during both lunches. Great turn out and lots learned by the students!
