Fremont FFA

Chapter contest is where our leadership development events are held. Kids compete at Fremont for the right to represent our chapter at the Area contest later this month. The contests include Public Speaking (Extemporaneous and Creed are 2 of those), Job Interviews, and Ag. Education. Exempt- they draw a topic out of a hat and have 30 min to prepare a 4-6 min speech on it. Creed is memorizing and presenting the FFA Creed. Job Interview they have to prepare a resume, application and cover letter and go into a job interview as well as do several employment practicums. And for Ag Education they have to create and teach a lesson plan showing their understanding of the teaching process. These kids will go to Area contest on Jan. 21st. Winners from there will be able to compete at State Convention.

## Fremont Library

The Fremont High School Library is adding a little spice to the winter Blaahs by opening the library up for a 1960's Beach Party on January 12 during lunch time. Students will play beach volleyball, have a chess tournament (Inspired by Bobby Fischer, 60's chess master), a 1960's guessing game and a door prize drawing. This is after the Library's November 1950's Rock and Roll Party
